

ORDER FORM **RVT PIN AND CERTIFICATE**

Registered Veterinary Technicians are integral members of the veterinary health care team. The Texas Veterinary Medical Association is proud to announce that it will provide our RVTs with a pin that promotes their profession. Now, you can show others that you are proud to be a Texas RVT. The cost of the pin is only \$7.00. If you became an RVT before June 2006 we are also offering a new certificate available for purchase for \$10. Orders are now being accepted for both the pins and certificates.

Should you have any questions, please contact Andy Walker at awalker@tvma.org or 512/ 452-4224. Orders may also be mailed into the TVMA office:
